VirtualScopics Schedules Third Quarter 2011 Earnings Announcement

ROCHESTER, N.Y. – October 25, 2011 – VirtualScopics, Inc. (NASDAQ: VSCP), a leading provider of quantitative imaging for clinical trials, today announced that before the market opens on Thursday, November 10, 2011 it will release its third quarter 2011 financial results. VirtualScopics' President and Chief Executive Officer, Jeff Markin, and Chief Business and Financial Officer, Molly Henderson, will host a conference call that morning at 9:00 a.m. ET to provide a business update and discuss the company's results for the quarter ended September 30, 2011.

Interested participants should call 877-407-8035 when calling within the United States or +1 201 689 8035 when calling internationally. This call can also be accessed at www.virtualscopics.com and will be available for 30 days after the call.

About VirtualScopics, Inc.

VirtualScopics, Inc. is a leading provider of imaging solutions to accelerate drug and medical device development. VirtualScopics has developed a robust software platform for analysis and modeling of both structural and functional medical images. In combination with VirtualScopics' industry-leading experience and expertise in advanced imaging biomarker measurement, this platform provides a uniquely clear window into the biological activity of drugs and devices in clinical trial patients, allowing sponsors to make better decisions faster. For more information about VirtualScopics, visit www.virtualscopics.com.

Forward-Looking Statements

The statements contained in this press release that are not purely historical are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended, and are intended to be covered by the safe harbors created thereby. These forward-looking statements include, but are not limited to, statements regarding the backlog and new customer awards and/or statements preceded by, followed by or that include the words "believes," "could," "expects," "anticipates," "estimates," "intends," "plans," "projects," "seeks," or similar expressions. Forward-looking statements deal with the Company's current plans, intentions, beliefs and expectations. Investors are cautioned that all forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those in the forward-looking statements. Many of these risks and uncertainties are discussed in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2010 filed with the Securities and Exchange Commission (the "SEC"), and in any subsequent reports filed with the SEC, all of which are available at the SEC's website at www.sec.gov. These include without limitation: the risk of cancellation or delay of customer contracts or specifically as it relates to awards of contracts currently under negotiation, the risk that they may not get signed. Other risks include the company's dependence on its largest customers and risks of contract performance. All forward-looking statements speak only as of the date of this press release and the Company undertakes no obligation to update such forward-looking statements.
